Transform Your Campus with Newline

Newline creates the campus tools of the future. From interactive flat panels that keep students engaged through the lecture, to digital tools that enhance your favorite software, Newline reinvents student engagement and course communication in a time of remote and blended learning.

Interactive Flat Panels
Bring learning to life with our easy to use touch & non-touch panels.

Small Group Interactive Solutions
Add touch devices to small group instruction or conduct class from anywhere

Accessories
Upgrade your learning spaces with impeccable cameras and on-board computers.

Software
Monitor devices and wirelessly cast from any device with software add-ons.

Why Choose Newline?

- All Newline products are easy for anyone to use.
- Completely non-proprietary - use the software you want.
- Perfect for classrooms, lecture halls, admin offices and labs.
- Optimized for modern instruction - in-person and virtual.
- Seamless integration into existing systems.
